

## Places to stay...Poole

Poole is a bustling resort and there are numerous places to stay ranging from top of the range boutique style hotels with stunning food and views to great B&Bs serving wonderful breakfasts with comfortable clean rooms. In this guide we've tried to give you a range of places to choose from to suit all budgets. Please click on the name to access their website. All are places that clients have stayed before so you should find them up to scratch but if you don't then please let us know.

*Tip: If you ring and any of these places and they say they are busy then definitely call back a day or so before the course as many B&Bs maintain they are full as they don't want (initially) single night bookings, as they realise they will not be booked for a particular weekend beds suddenly become available!*
